11	Manmath kumar Malla. Manger – Sales (Bihar & Cg) (M-9937832268)	23	Tablet Pcs Technical Specification Processor: Quad Core with Frequency of 1.8 Ghz or more /Octa core with Frequency of 1.6Ghz or More	It is requested to incorporate to Octa Core Processor upto 2.0 Ghz or higher. Quad Core Processors is old technology & the latest Processor is OCTA core .	As per RFP
		23	Tablet Pcs Technical Specifications Display (Size/Type/Resolution):- 8.0" or more TFT (capacitive, multi- touch) 600 X 1024 (or higher)	IPS technology is widely regarded as the best LCD technology for colour displays, offering significant advantages over traditional TFT displays, including consistent colour accuracy and an exceptionally wide viewing angle of 80-85° in all four directions. Further, the industry is moving 8.7" than the earlier 8" size hence, it is recommended to higher screen which ensure better visibility and provide comforts to user eye	As per RFP
		23	Tablet Pcs Technical Specifications Rear Camera :- 5 MP or higher	The flashlight in a camera helps capture pictures in low-light conditions, making it a highly recommended feature. Moreover, a higher megapixel count enhances video and picture quality, contributing to improved performance during virtual calls. Thus, it is highly recommended to have 8MP camera instead 5MP	As per RFP
12	Sai Tech Solution Meerut, Uttar Pradesh	RFP, Annexure 1, pt.7, pg.23	Display (Size/Type/Resolution): 8.0" or more TFT (capacitive, multi-touch) 600 X 1024 (or higher)	All the brands are now manufacturing tablets with a display size or 8.5 inches or higher as they have larger screen and better readability. Also, a display resolution of 600 X 1024 pixels is very low and is now no longer used by tablets. The standard display resolution for 8.5 inch or higher tablets should be 800 X 1340 pixels. Request: Display (Size/Type/Resolution): 8.5" or more TFT (capacitive, multi-touch) 800 X 1340 (or higher)	As per RFP

✓ VS

RFP, Annexure 1, pt.1, pg.23	Processor: Quad-Core with frequency of 1.8 GHz or more/ Octa-Core with frequency of 1.6 GHz or more	Quadcore processors have become outdated and are currently not manufactured by any brands. So, asking for quadcore processors will allow bidders to participate in the tender with outdated models. Also, 2 GHz processor speed is the standard and no tablet brand now manufactures devices with 1.6 GHz or 1.8 GHz processor speeds ensuring compatibility with modern applications. Request: Processor: Octa-Core with frequency of 2.0 GHz or more	As per RFP
RFP, Annexure 1, pt.2, pg.23	RAM: 3 GB or higher	3GB RAM is the lowest available RAM option and is not preferred by any dept. 3GB RAM does not handle the latest applications efficiently and leads to lagging of the device. This makes the devices slow down over time. So, the industry has shifted to 4GB RAM which can handle the latest applications efficiently without any lags. Request: RAM: 4 GB or higher	As per RFP
RFP, Annexure 1, pt.3, pg.23	ROM: 32 GB or higher	32 GB internal memory is no longer sufficient for storing educational files and documents. To ensure sufficient storage space, a minimum of 64 GB internal storage is required. Tablets with 4 GB RAM / 64 GB storage have become the industry standard combination for latest devices as they can efficiently handle all the latest applications and files. Request: ROM: 64 GB or higher	As per RFP
RFP, Annexure 1, pt.4, pg.23	Rear Camera: 5 MP or higher	8 inch or higher tablets have a rear camera of 8MP. 5MP rear camera is not useful for tasks like scanning documents. A higher camera resolution like 8MP ensures better image quality for educational purposes. Request: Rear Camera: 8 MP or higher	As per RFP

✓ ✓

RFP, Annexure 1, pt.8, pg.23	Bluetooth Version: 4.2 or higher	Bluetooth 4.2 is very outdated and is not offered by any brand. Bluetooth 5.0 is the market standard as it offers faster data transfer speeds, better range and improved power efficiency. This ensures reliable and seamless connection with modern Bluetooth accessories, which is essential for enhanced functionality. Request: Bluetooth Version: 5.0 or higher	As per RFP
RFP, Annexure 1, pt.9, pg.23	Wi-Fi: 802.11 a/b/g/n or higher	Wi-Fi 802.11 a/b/g/n/ac (2.4 GHz + 5 GHz) provides faster internet speeds and more stable connections. The 2.4 GHz band offers better range and is ideal for basic tasks such as browsing and accessing educational content. The 5 GHz band offers faster speeds and less interference which is useful for high-bandwidth activities online classes, presentations etc. Request: Wi-Fi: 802.11 a/b/g/n/ac (2.4 GHz + 5 GHz) or higher	As per RFP
RFP, 4.1, pt.5, pg.13	Clause: The Bidder (OEM) should have an average annual turnover of at least INR 150 Crores during the three consecutive financial years out of the four financial years i.e. 2021-22, 2022-23, 2023-24.	OEM turnover of Rs. 150 Cr does not allow many MSE brands registered on GeM to participate in the tender. Only 2-3 brands which are registered on GeM have a turnover of Rs. 150 Cr. But MSEs have a turnover around Rs. 40 – 50 Cr and cannot meet the given qualification criteria. To encourage participation of MSE brands, relaxation to MSEs for turnover should be given according to Ministry of MSME guidelines. Request: The Bidder (OEM) should have an average annual turnover of at least INR 150 Crores during the three consecutive financial years out of the four financial years i.e. 2021-22, 2022-23, 2023-24. Relaxation to MSEs will be given according to Ministry of MSME guidelines.	As per RFP

RFP, 4.1, pt.9, pg.14	The OEM of quoted item should have supplied same make Tablet PCs, directly or through their Channel Partner(s), in the 2021-22, 2022-23, 2023-24 to any Central / State Govt. Organization / PSU of at least a single order of 40000 Tablet PCs as on date of opening of bid.	OEM experience in supplying 40,000 same make tablet PCs will limit the participation to 2-3 brands that have the given experience. This decreases participation. MSE brands which are registered on GeM do not have such huge experience. To encourage their participation, relaxation to MSEs for experience should be given according to Ministry of MSME guidelines. Request: The OEM of quoted item should have supplied same make Tablet PCs, directly or through their Channel Partner(s), in the 2021-22, 2022-23, 2023-24 to any Central / State Govt. Organization / PSU of at least a single order of 40000 Tablet PCs as on date of opening of bid.	As per RFP
RFP, 4.1, pt.10, pg.14	The Bidder should certify that they have after sales support mechanism in every allotted district of the state either directly through their support office in India or through their authorized channel partners/dealers/OEM in the state.	After sales support is provided by OEMs. OEM has its authorized service centres which have original spare parts and qualified technical engineers to resolve service issues effectively. OEM service centres also offer prompt assistance. Request: OEM should have after sales support mechanism in every district of the state at the time of bid submission. List of service centres should be submitted at the time of bid submission.	As per RFP

13	Aditi Ghadge Sales Coordinator E: sales4@wishtel.com M: +91 9004386914 Wishtel Pvt. Ltd. 4, Champaklal Industrial Estate, Sion (E), Mumbai - 400 022 T: +91-22-24077421 / 43511500	Page No. 13 No. 5(b)	Point	The OEM of the dealer channel partner should have at least INR 150 Crores during the three consecutive financial years out of the four financial years i.e. 2021-22, 2022-23, 2023-24.	Kindly allow average turnover 47 CR rather than 150 CR Allow OEM Average Turnover 47 Cr as Wishtel an MSME registered OEM and also we have due acceptance from Android as credible partner in the Android and Tablet pc's ecosystem, being an local Indian start up brand in hardware we cannot get turnover to such high tune by only making tablet pc's due to its limited market, where as International brand turnover are high based on their multiple product line and not limited to tablet pc's which is not a fair comparison. We hence request department to kindly reconsider on OEM turnover clause and offer exemption on the same for MSME manufacturer for making it a fair ground for young player like us with due credibility and product quality similar to international brand. We bring in with our experience high quality product and unmatched services. We look forward for working on this project and creating a new space for Indian brand. Financial Qualification Criteria is a Challenge for us to participate in the above Bid, Being an Indian Company with our core focus on Technology we only focus on Tablet PC Segment. We would request you to kindly look into the matter and allow Indian OEM to participate and grow under the Make In India and Atmanirbhar Bharat Initiative. Since we understand the Parameters of the Qualification criteria we would request you to Exempt the turnover criteria for MSME holders or allow total 47CR Turnover of last 3 FY	As per RFP
		Page No. 14 No. 9	Point	The OEM of quoted item should have supplied same make Tablet PCs, directly or through their Channel Partner(s), in the 2021-22, 2022-23, 2023-24 to any Central / State Govt. Organization / PSU of at least a single order of 40000 Tablet PCs as on date of opening of bid.	Reconsider the requirement that OEM single PO 40000 nos and allow our cumulative supply experience around 7000 units within the last three years We request the department to kindly reconsider the tender requirement stating that the OEM of the quoted item in the years 2021-22, 2022-23, and 2023-24 to any Central/State Government Organization/PSU, with at least a single order of 40,000 Tablet PCs as on the date of bid opening. As an OEM, we have consistently demonstrated our capacity and reliability through multiple Purchase Orders of qty- 40000 nos, so request you to allow multiple PO copies or single 7000 Nos PO copy with Completion Letter.	As per RFP

14	17.12.2024	Bid Eligibility Criteria	As an Indian manufacturer, we have been proudly serving the Indian market for the past 30 years, specializing in IT hardware and handheld devices based on Android and Linux platforms. As an OEM, we request the department to consider including Tablets, handheld devices, ePOS devices, and IT-enabled manufacturing products as part of the bidding experience. This inclusion will encourage more Indian companies to participate, fostering healthy competition and ensuring competitive rates in the tender.		As per RFP
	18.12.2024	Product/Service specification	The department has asked for tablets with 3GB RAM and 32GB internal storage. But 3GB RAM/ 32GB storage specifications have become outdated as they can't handle the applications and files for a longer time and become slower. Most of the tablets now come with higher capacities such as 4GB RAM and 64GB Storage which are suitable for current apps and files. So, please ask for 4GB RAM and 64GB internal storage, which will provide smoother multitasking, faster app performance, and more storage space for applications and file		As per RFP

	18.12.2024
	18.12.2024
	18.12.2024
	18.12.2024

<p>The department has asked for a minimum 8-inch tablet. Most of the tablets currently available in the market have 8.5 inch or higher screen size. A bigger screen offers better visibility and enhanced productivity. So, please ask for display size of minimum -8.5 inches or higher.</p>		As per RFP
<p>The department has asked for a tablet with a 5MP rear camera. All the 8inch tablets currently come with an 8MP rear camera, and no OEMs offer a 5MP option. A higher resolution rear camera will provide better image quality for photos and video. So, please ask for 8MP rear camera.</p>		As per RFP
<p>The department has allowed bidders to participate with Quadcore tablets of 1.8 GHz processor speed or Octacore with 1.6GHz processor speed. Quad-core processors have become outdated and all the OEMs now manufacture tablets with octa-core processors having at least 2 GHz processor speed. So, please ask for tablets with at least 2 GHz Octa core processors.</p>		As pe RFP
<p>The department has asked for Bluetooth v4.2 which is outdated. All the latest tablets and smartphones use Bluetooth v5.0 or higher. Bluetooth v5.0 offers an extended range and enhanced speed compared to BT 4.2. So, please ask for Bluetooth version 5.0 or higher.</p>		As per RFP

✓ VS

18.12.2024		The department has asked for 802.11b/g/n or higher. But all the latest tablets have dual Wi-Fi connectivity of 802.11 a/b/g/n/ac (2.4 GHz+5.0 GHz) or higher. Asking for Dual WiFi band increases the connectivity and range of the tablets. Also, dual band offers faster speed. So, please ask for Wi-Fi connectivity- 802.11 a/b/g/n/ac (2.4 GHz+5.0 GHz) or higher.		As per RFP
18.12.2024		The department has asked for the display resolution 1024 x 600. All the 8 inch tablets have a display resolution of at least 1340x800 pixels. So, please ask for standard display resolution of minimum 1340 x 800.		As per RFP
18.12.2024	Bid Eligibility Criteria	The department has asked for OEM turnover to be Rs. 150 Cr. There are many tablet brands in India that are MSEs which do not have a turnover of Rs. 150 Cr. Only 3 brands have a turnover		As per RFP
18.12.2024		The department has asked for OEM experience in supplying same make tablets of at least 40,000. This is restricting clause. Only 3 brands will once again qualify in the bid.		As per RFP
18.12.2024		MSE exemption has not been given for OEM average annual turnover of 150 cr. and supply experience of 40000. Once again only 3 brands is getting favored .		As per RFP

✓ 

	18.12.2024	Scope of Supply/Service	The department has asked bidder to have after-sales support mechanism in all districts of Bihar either through their support office or through their authorised channel partners/dealers/ OEM in the state. OEMs are responsible for the after sales service support as only OEM authorised service centres have the dedicated technical personnel, original spare parts to provide service. So, please ask for service centres from OEM in all the districts of Bihar at the time of bid submission		As per RFP

Bihar Education Project Council,
Shiksha Bhawan, Bihar Rashtra Bhasha Parishad Campus,
Saidpur, Patan -800004
e-mail: ssabihar@gmail.com

Subject: Request for Proposal (RFP) For Procurement, Supply & Installation of Tablet Computers for Teachers Resource Package-Reg...

Tender Ref. No.:

Sir/Ma'am,

WHEREAS we, <<..... (Name of the Bidder)>>, having our registered office at << address of Bidder>>, state that we will provide the MDM with facilities listed below:

1. Dynamic Boot Logo update.
2. Dynamic Wallpaper update.
3. Pushing & Silent Installation of Apps like Flash Messaging Mobile App etc. to all/selected beneficiaries, in such a manner that the user cannot block or uninstall the App and notifications pushed through the app. The MDM shall lift/remove the data fetch restriction on "non-resettable device identifiers" (i.e., IMEI no., Device ID, Serial no., Android ID etc.), so that these identifiers can be fetched by the Flash Messaging App.
4. Provide Remote Troubleshooting Services for the devices.

We hereby take the full responsibility for providing complete technical support for all aspects of MDM for period mentioned in the tender document and after sales support during entire period of project as stated in this tender.

For the MDM Server proposed, we hereby submit an undertaking and confirm the following:

- The MDM would be Android Enterprise Certified.
- The MDM would be able to commensurate with the quantity of device supplied.
- The security aspects of MDM shall be ensured as per industry standard norms and guidelines issued by Govt. of India time to time.
